Vendor Partnership Guide

Grow your business with GO7 — Abeokuta's fast delivery marketplace for food, groceries, pharmacy, and local retail.

go7.ng | Vendor signup: go7.ng/vendor/register

1. Executive Summary

GO7 is an all-in-one delivery platform helping restaurants, food vendors, groceries, pharmacies, and local shops in **Abeokuta, Nigeria** reach more customers, take orders online, get paid securely, and have deliveries handled by GO7 riders.

> **For vendors, GO7 provides:**
>
> - A **digital storefront** on the GO7 app and website
> - **Real-time order management** in your dashboard
> - **Delivery & logistics** — riders, live GPS tracking, PIN verification
> - **Payments & wallet** — Paystack, earnings ledger, bank withdrawals
> - **Marketing tools** — featured placement, Combo Rush flash deals

Commercial model: GO7 charges **8% commission on food/product sales only** (not on delivery fees). Minimum withdrawal: **₦10,000**.

2. Problems GO7 Solves

Challenge	How GO7 Helps
Low foot traffic	Listed on Explore, search, categories, and homepage
Phone/WhatsApp order chaos	Central dashboard for all orders
No delivery fleet	GO7 riders pick up and deliver
Cash & reconciliation issues	Digital payments, wallet, transaction history
No sales data	Analytics: revenue, orders, top products
Hard to run promos	Combo Rush limited-time deals on homepage

3. Platform Capabilities

A. Online Presence & Discovery

- Vendor profile: business name, logo, address, hours, description
- Product catalog with photos, prices, categories, variants, and add-ons
- Categories: Food, Groceries, Pharmacy, Fashion, Electronics, Beauty, Home, and more
- Real-time menu updates — changes appear for customers immediately
- Customer shop page: go7.ng/vendor/{your-id}

B. Product & Menu Management

- Multi-step product creation with image upload
- **Add-ons** (extra chicken, drinks, sauce) — create once, use across products
- Variants & options (size, portion, etc.)
- CSV bulk import for large menus
- Nigerian market formats: unit, portion, bundle, weight
- Stock and availability controls

C. Order Management

- Real-time order notifications
- Status workflow: New → Accepted → Ready → Picked up → Completed
- Customer details, items, and special notes
- Batch scheduled deliveries for multiple ready orders
- Proof of delivery (POD) support

D. Delivery & Logistics (Handled by GO7)

- Automatic or manual rider assignment
- Live GPS tracking for customers
- Delivery PIN verification at drop-off
- Coverage across Abeokuta neighborhoods

E. Payments, Wallet & Payouts

- Paystack for secure customer payments
- Vendor wallet with balance, earnings, and commission breakdown
- **8% commission on food subtotal only** — delivery fees are not commissioned
- Bank withdrawal (minimum ₦10,000)
- Full transaction history and payout requests

F. Marketing & Growth

- **GO7 Combo Rush:** time-limited combo deals on homepage with countdown
- Featured vendor placement on Explore and home
- Ratings and reviews for customer trust
- Agent/referral program — register with a GO7 agent code

G. Dashboard & Analytics

- Revenue and order metrics
- Product performance and stock alerts
- Order status overview
- Mobile-friendly vendor dashboard

4. Vendor Benefits

Grow Revenue

- Reach customers beyond your location
- 24/7 online ordering (within your hours)
- Combo Rush boosts slow periods

Save Time

- One dashboard vs scattered WhatsApp orders
- Batch delivery scheduling
- Automatic menu sync

Reduce Risk

- Secure digital payments
- Clear 8% food-only commission
- Order history & audit trail

Professional Image

- Branded shop page with logo & photos
- Live tracking & PIN delivery
- Built for Abeokuta & Nigeria

5. How It Works

```
1. REGISTER → go7.ng/vendor/register
2. GET APPROVED → GO7 admin reviews your business
3. SET UP SHOP → Add products, photos, prices, hours
4. GO LIVE → Customers find you on GO7 app/website
5. RECEIVE ORDERS→ Real-time notifications in dashboard
6. PREPARE → Accept → Mark Ready
7. RIDER PICKUP → GO7 rider collects and delivers
8. GET PAID → Earnings in wallet → Withdraw to bank
```

6. Pricing & Commercial Terms

Item	Detail
Commission	**8%** on food/product subtotal only
Delivery fee	Charged to customer; **not** part of vendor commission
Minimum withdrawal	**₦10,000**
Payment processor	Paystack (cards, bank transfer, etc.)
Payout	To your registered Nigerian bank account

Example: Order subtotal ₦5,000 → GO7 fee ₦400 → You receive ₦4,600 (confirm final terms in your vendor agreement).

- ☐ Add bank details in wallet
- ☐ Create a Combo Rush deal (optional)

8. GO7 Ecosystem

Service	For Customers	Vendor Relevance
Food delivery	Order from restaurants	Core vendor channel
Groceries & pharmacy	Same-day essentials	Expand product categories
Book delivery	Send parcels across Abeokuta	B2B / bulk for some vendors
GoBuy	Personal shopping requests	Optional cross-sell
Live tracking	See rider on map	Better customer experience
Wallet & DVA	Customer prepay	Faster, confirmed orders

9. Frequently Asked Questions

Q: Do I need my own delivery riders?
A: No. GO7 provides riders for customer deliveries.

Q: What does GO7 charge?
A: 8% on food sales only, not delivery fees.

Q: How do I get paid?
A: Earnings go to your vendor wallet; withdraw to your bank (min ₦10,000).

Q: Can I update my menu anytime?
A: Yes. Changes go live immediately for customers.

Q: What areas do you cover?
A: Abeokuta and surrounding areas.

Q: How long does approval take?
A: Typically 1–3 business days after complete registration.
